ABOUT US

Events by Joann, LLC is a full service wedding & event coordination company. With over 11 years of experience in the wedding & event industry; Events by Joann has now opened a table & chair linen rental division along with a floral design division.

We take our work very seriously, we know that our clients are looking forward to celebrating their occasion and have been planning it for a long while. That is why we always offer quality service and pay very close attention to detail.

Our products are of high quality and our orders are always double checked for accuracy. We know what our clients want and that is great service and reasonable rates. So we are committed to offer both.

Our company is family owned and operated so we treat each client like family. We ask questions so that we can fully understand what each client has imagined their day to be like. We are committed to deliver one of a kind service!
